

DOCU-HUB JAMAICA · SECURE DOCUMENT CONCIERGE

PASSPORT PREPARATION: OVERSEAS DIASPORA TRACK (MAIL-IN)

1.0 ELIGIBILITY VERIFICATION

This track is for Jamaican citizens living abroad (USA, UK, Canada, etc.) who do not qualify for the online portal (e.g., minors, name changes, lost books, or old legacy passport books).

2.0 THE DIASPORA MAILING KIT

You must compile and package the following physical items into a secure shipping envelope:

- Completed Passport Application Form (Downloaded from your regional Embassy website).
- **Official Notary Certification:** Because you are abroad, a local Notary Public, Justice of the Peace, or Consular Officer must sign Section G of the form and certify the back of one photo with their stamp/seal.
- Current Physical Jamaican Passport
- Original Jamaican Birth Certificate (Mandatory secure RGD blue/green document).
- Valid Foreign Photo ID (US Passport, Green Card, State Driver's Licence) to verify your current identity.
- Two (2) Certified Passport Photos: Made to exact PICA dimensions[cite: 1]. (If you have white, grey, or bleached hair, request a PALE BLUE background from your photo studio).
- Secure Payment: An International Money Order, Cashier's Check, or Manager's Cheque made payable directly to the specific Embassy (e.g., "Embassy of Jamaica"). Personal checks and cash inside the envelope are strictly rejected.
- **THE RETURN PROTOCOL:** You MUST enclose a Prepaid, Self-Addressed Trackable Return Envelope (FedEx, UPS, or USPS Priority) so the diplomatic mission can safely mail your original birth certificate and your brand-new passport back to your home address.
